

## Student / Tutee Agreement

Date: \_\_\_\_\_

I am 18 years old or older. I am committed to improving my English.

I will be respectful to other students and to the instructor. I will encourage other students to practice and learn English.

I understand that EnglishBCS cannot guarantee that my English will improve significantly or that my test score will improve. There are many factors besides quality of instruction.

If I am absent, I am not entitled to a refund.

I understand that the HUB is private space for members and their visitors. I am welcome in the EnglishBCS office. The other desks and chairs are reserved for members. I will not hang out in the HUB unless I become a member of the HUB Collaborative (<https://www.hubcollaborative.com/membership-application> ).

I will communicate with my teacher / tutor if I am not satisfied with the instruction. I will give her a chance to resolve the problem.
